

WINFIELD

Resident Characteristics

as of June 30, 2015

Winfield Housing Authority operates 147 affordable units across its public housing portfolio.

Bedroom Sizes of Public Housing Units

The bedroom sizes of Winfield Housing Authority public housing units range from 1 bedroom apartments to 4 bedroom apartments. The housing authority's public housing inventory includes: 31% 1 bedroom apartments, 50% 2 bedroom apartments, 16% 3 bedroom apartments and 3% 4 bedroom apartments.

Family Type

Of the 138 households who reported head of household data in the housing authority's most recent RCR report, 58 (42.03%) were elderly, 80 (57.97%) were non-elderly, 97 (70.29%) were disabled, 14 (10.14%) contained children and 10 (7.25%) were headed by a female.

Tenant Contributions to Rent

Residents of public housing pay rent based on their income. The rent contribution of the tenant is called the Total Tenant Payment (TTP). The TTP is generally 30% of a resident's income with a \$25 (National minimum) to \$50 (some PHA's) minimum rent. Based on the information in the most recent Resident Characteristics Report (June 30, 2015) the minimum rent in Winfield Housing Authority's public housing developments is \$50.

The average tenant rent contribution for Winfield Housing Authority's public housing developments is \$358.

The TTP distribution across all public housing units in the Winfield Housing Authority portfolio is:

Project	\$0	\$1-25	\$26-50	\$51-100	\$101-200	\$201-350	\$351-500	\$500 and Up
All Developments	0%	0%	1%	2%	10%	51%	20%	16%

The average tenant contribution for elderly residents residing in all properties across the housing authority's public housing portfolio is \$397. The average rent payment for disabled residents is \$358. The average TTP for non-elderly, non-disabled renters in the housing authority's public housing units is \$715. Households headed by females had a total tenant payment of \$333.

Race and Ethnicity

The HUD Resident Characteristics Report provides updated Head of Household race and ethnicity data at the housing authority and property level. Across all properties in the Winfield Housing Authority portfolio, 15% of households identified as Black, 84% identified as White, and 1% identified as Hispanic or Latino.

Income of Public Housing Residents

HUD divides household income into four categories: Extremely Low Income (ELI) for households earning less than 30% of the median, Very Low Income (VLI) for households earning between 30%

and 50% of the median, Low Income (LI) for households earning between 50% and 80% of the median and Above Low Income for households earning 81% of the median and over.

Of the public housing residents residing in Winfield Housing Authority properties, 18 were Extremely Low Income, 73 were Very Low Income, 38 were Low Income and 18 were Above Low Income.

The average annual income of public housing residents living in Winfield Housing Authority properties is \$15,181. Of all public housing residents, 1% have no income and 13% earn more than \$25,000 while 86% have incomes that fall between \$0 and \$25,000.

The distribution of incomes among the housing authority's public housing residents is:

No Income	\$1-5,000	\$5,001-10,000	\$10,001-15,000	\$15,001-20,000	\$20,001-25,000	\$25,000 and Up
1%	3%	29%	31%	18%	5%	13%

The HUD RCR data includes source of income information as well. The data includes five categories of family income: wage income, welfare income, SSI/SS/Pension income, other income and no income. Some families receive income in multiple categories.

Among families residing in Winfield Housing Authority public housing 23% have wage income, 3% have welfare income, 78% have SSI/SS/Pension income, 26% have other income and 1% have no income.

Household Information of Public Housing Residents

As of the last HUD RCR report (June 30, 2015), there were a total of 147 households containing 199 total persons residing in the housing authority's public housing properties. The average household size across all properties in the housing authority's public housing portfolio was 1.4.

Across all units operated by the housing authority, 10.14% of households included children. Across all household members in Winfield Housing Authority public housing units 2% are aged zero to five and 6.5% are aged 6 to 17.

38.2% of all residents across the housing authority were age 62 or older and are considered seniors while 53.3% of all residents were aged 18 to 61.

Length of Stay at Public Housing Properties

The HUD RCR report includes length of stay data for Winfield Housing Authority public housing communities. 31.97% of all families residing in public housing have lived there for less than 1 year, 14.97% have lived in public housing for 1 to 2 years while 53.06% have lived in public housing for more than 2 years.
